

Multi-Agency Risk Management (MARM) Meeting

Statement of Confidentiality;

This meeting is held in line with the Multi-Agency Risk Management Framework as set out in the Local Safeguarding Adults Board Safeguarding Policy 2016.

This meeting will cover aspects surrounding the duty of care we hold as professionals, and how we can best support you to reduce or remove the unmet needs and risks identified.

All matters discussed within this meeting are confidential to those present and the agencies they represent. The information may only be shared with the best interests of the adult(s) at risk or under a duty of care. However, the individual at risk is not bound by the same confidentiality requirement. The meeting will have notes produced which are shared in a strictly confidential approach, and any request to access these outside of this meeting will be in line with the Data Protection Act 2018.

Please confirm no attendee's have a conflict of interest and agree to the confidentiality statement.
